**AUCTIONEER'S NOTE: IAC Complete Controls has been closed for almost a year. The secure creditors have contracted with Starman Bros. Auctions Inc. to liquidate all the assets at public auction. A large portion of the equipment is only 3-4 years old and in very good condition. Every attempt has been made to accurately describe each item, however, it is possible that a mistake may occur. It is for this reason, that all bidders are encouraged to "take the time and thoroughly inspect each item on which they intend to bid."**

Everything sells "AS IS, WHERE IS" with no warranties implied or expressed. Neither the auctioneer nor owners shall be liable for any incorrect description, fault or defect. Everything positively sells to the highest bidder. Payment must be made in full day of sale. No property removed until settled for. Auctioneer not responsible for accidents or stolen property. All counts are approximate.
