**AUCTIONEER'S NOTE:** Starman Bros. Auctions, Inc., has been contracted by TWA to sell at public auction equipment, vehicles, tools and inventory that is surplus to their ongoing needs. The JFK auction will offer a good selection of ramp equipment, as well as some good shop equipment. Everything sells "AS IS, WHERE IS" with no warranties implied or expressed. Neither the auctioneer nor owners shall be liable for any incorrect description, fault or defect. Everything sells to the highest bidder. No property removed until settled for. Auctioneer is not responsible for accidents or stolen goods. Everything must be paid for day of sale.

**TERMS:** Cash, certified funds, or company checks ONLY if accompanied by bank letter of guarantee! NO EXCEPTIONS!! Wire transfers will be accepted with a 20% nonrefundable deposit day of sale. We also accept MasterCard and Visa. A 3% buyer's premium will apply to this auction. If you pay with cash, certified funds, checks or wire transfer, the 3% buyer's premium will be waived.

**NOTE:** In addition to the listed equipment there is a good chance that there will be additional equipment and miscellaneous inventory by sale day.

Make sure and mark your calendars for the week of September 24th through the 28th. We will be conducting a second auction in Kansas City at TWA's maintenance facility. This auction will include approximately 4,200 line items, 28,000 parts of rotables, 70,000 line items, and 5,000,000 parts of expendables for the following fleet types: 727s, 747s, DC-9s and L-1011s. Also included will be engine inventory for these aircraft, as well as a large selection of tooling pertaining to these fleets. In addition there will be a very large amount of avionics test equipment and various ramp and shop equipment.
